Cyprus Lefkosa . Message from James Swanson

“Join us in praying for peace in the region. We do not feel in any immediate danger as the USA has not launched any attacks from the North. We are acutely aware of how close we are and all the more so because some of those that worship with us have loved ones in the region. We are also aware of how these actions can make people negative to the west and can cause a barrier to the gospel. We need wisdom in how we answer questions and show love and care to those around us”
